## NUHS PupilPath Registration Codes Fall 2021

- Your PupilPath account login remains the same from last year.
- The PupilPath website is <https://pupilpath.skedula.com/>
- I recommend downloading the app for your phone (it is easier to register on the app since you do not need a registration code)
- Please make sure your Parent/Guardian registers for PupilPath as well.
- You can always re-register for a new account if you forgot your password.
