WHAT IS FEDERAL STUDENT AID?

- Federal student aid comes from the federal government. It is money that helps a student pay for higher education expenses.
- Federal student aid covers expenses such as tuition and fees, room and board, books and supplies, and transportation.

WHO GETS FEDERAL STUDENT AID?

- U.S. Citizen or eligible non-citizen
- Have a valid Social Security Number
- Maintain satisfactory academic progress in college or career school
- Find more details about eligibility criteria at: [StudentAid.gov/eligibility](https://studentaid.gov/eligibility)

HOW TO APPLY FOR FAFSA?

STEP 1: Gather Documents

Please make sure you have all the documents below for both STUDENT and PARENT(S) before you begin the FAFSA application!!!

- Social Security# and/or Student Green Card**
- 2018 tax returns and W-2 forms**
- Bank Statements
- Records of untaxed income such as welfare benefits, Social Security Income, veteran's benefits, or military allowances
- Records of investments, stocks, bonds, etc.

Step 2: Create FSA ID

- Both the **student** and **one parent** must apply for an FSA ID to complete and sign the FAFSA
- Apply for your FSA ID at: www.fafsa.ed.gov
- FSA ID may take up to **1-3 days** to process
- If your parent does not have a valid SSN#, they cannot create a FSA ID

Step 3: Complete the FAFSA

- Go to www.fafsa.ed.gov to complete the **2020-2021 FAFSA after OCTOBER 1st**
- Up to **10** schools may be listed on the FAFSA at one time. If you need to add more schools, you will have to delete and re-submit your FAFSA.
- Be sure to sign your FAFSA by inputting **both** the student and parent FSA ID
- Upon submitting your FAFSA, be sure to print your confirmation page
- Allow **2-3 days** to process before you begin the TAP application
- *If your parent do not have a valid SSN#, please put 000-00-0000 as their SSN#. Your parent will have to sign and mail in the FAFSA signature page. Once your application is approved then you can begin the TAP application. This takes about 3-4 weeks.*

Step 4: Complete the TAP App.

- After you print your FAFSA confirmation page, click on the link that says, "**Start Your State Application**" (TAP)
- You can also begin your application at: www.tap.hesc.ny.gov/totw/
- TAP will only allow **(1)** NYS college to be listed at a time. However, all NYS schools will be able to access the information from the FAFSA application.

Step 5: Review Your Student Aid Report (SAR) on FAFSA

- Within a few days of completing the FAFSA, you will be able to view your Student Aid Report (SAR), which contains your **Expected Family Contribution (EFC)** – the number used to determine your financial aid eligibility
- If there is an error on your SAR, you may make corrections and re-submit your SAR for reprocessing

Step 6: Complete all Supplemental Financial Aid Applications (if required)

- Some colleges may require students to complete additional financial aid applications such as the **CSS Profile**.
- A complete list of colleges that require the CSS Profile is available at:
