# Explore Liberal Arts & Sciences

**New Utrecht High School  
College Office**

## Types of Liberal Arts & Science Programs

- ↳ Arts and Literature
- ↳ Languages
- ↳ Linguistics
- ↳ Mathematics
- ↳ Natural Sciences (Biology, Chemistry, Physics)
- ↳ Philosophy
- ↳ Religious Studies
- ↳ Social Sciences (Psychology, Sociology, Anthropology, History)

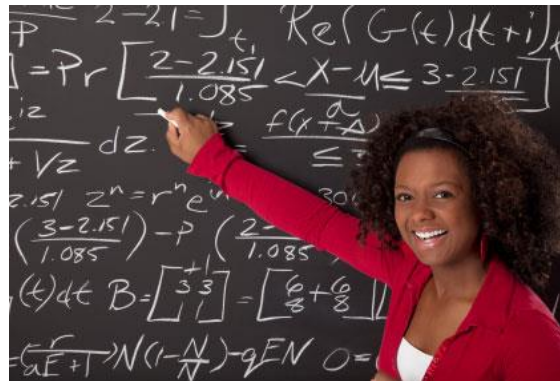

### What is it about?

- ↳ Liberal arts and sciences major is not just another term for "undecided". On the contrary, declaring this major takes a lot of initiative and determination.
- ↳ If you are truly passionate about learning and want to spend your college years exploring new ideas rather than preparing for a specific career, you might consider majoring in liberal arts and sciences.
- ↳ Most liberal arts courses include a great deal of reading, writing, and discussion, and classes tend to be small. You'll gain the ability to reason critically, communicate effectively, and understand relationships across broad fields of knowledge.
- ↳ Students of liberal arts and sciences often design their own program of study. They take courses in the arts, the biological and physical sciences, the social sciences, and the humanities.

## You might consider this major if you are good at/like:

- ↳ Active Listening
- ↳ Attention to detail
- ↳ Creative, Imaginative and Curious
- ↳ Critical Reading/Thinking
- ↳ Languages
- ↳ Memorizing
- ↳ Organize
- ↳ Patience
- ↳ Persistent
- ↳ Persuading, Influencing
- ↳ Team work
- ↳ Verbal Skills

### Recommended High School Prep

- ↳ English Language Arts
- ↳ Algebra, Geometry, Trigonometry
- ↳ Social Studies, History, World Literature
- ↳ Literature
- ↳ Science and Lab courses
- ↳ Foreign Language

\*These are courses that will be valuable to you prior to applying to liberal arts and science programs.

\*Having a wealth of understanding can transfer to many other studies and careers !

## What program should I apply to?

Consider the following when researching and selecting college program(s):

- ↳ Academic admissions criteria, SAT/ACT scores, location, environment, tuition fees, financial aid, school size, curriculum, etc.
- ↳ Do they offer internships? What are recent graduates doing?

### Career Trends

\* Career trends vary based on program interest. Careers listed are not limited to the following:

- ↳ College Professor
- ↳ Counselor
- ↳ Doctor/Dentist/Veterinarian
- ↳ Film Maker
- ↳ Journalist
- ↳ Language Specialist
- ↳ Language Translator, Interpreter
- ↳ Lawyer
- ↳ Psychologist
- ↳ Social Worker
- ↳ Speech Writing
- ↳ Teacher
- ↳ Television Production
- ↳ Therapist

\*Many liberal arts and science majors go onto advance degrees and pursue careers in law, medicine, business, and teaching.
