

**NUHS Parent Connections — INFORMED! INSPIRED! INVOLVED!**

**January 2020**

Hello Parents & students! I want to wish everyone a Happy New Year and hope that you had an enjoyable Holiday break. The holidays are a wonderful time for families to spend time with one another and make memories. As we reflect on the past year and look to improve on the future, I would like to encourage parents and students to discuss how school has been going and make some goals for the new semester. Parents, I hope that one of your New Years resolution is to be more proactive in participating in your child's education, in attending Parent workshops, serving on the PTA, etc. It is important that your child sees you proactive and involved in their education. Students, I hope that you will commit yourselves to improve your studies through healthy habits for the upcoming year (establish a studying routine that will assist you in staying on top of your work and not get behind, REMEMBER: late or missing homework can be a huge deterrent to success). I am your Parent Coordinator, Natalie Tang. I am available to address any questions or concerns you may have. You can contact me at (718) 232-2500 ext. 1289, or via email at [Ntang5@schools.nyc.gov](mailto:Ntang5@schools.nyc.gov). Thank you for your continued commitment to your child's future success. Looking forward to an amazing school year with the help of everyone's involvement. As always, we thank you for your support and encouragement.

## College Planning

Remember — Decision making is a process, not an event.

To all NUHS Students & Parents out there, **#YouCanDoThis!**

### Freshman Year —

- Get involved: Stay updated with PupilPath. Study hard and do well in school — From now on your grades will count toward college and will show up on your permanent record. Get to know your high school counselor & college advisor and let them know about your goals, career aspirations, interests. **KEEP IN MIND: END OF 3RD MARKING PERIOD IS JAN 17TH!!**

### Sophomore Year —

- It's not too early for sophomores to start college planning. Study for and take the PSAT, treating it as a trial run. Consider using free online test preparation tools to prepare for the PSAT. Attend college-related events. Start creating your profile on free scholarship search engines, ie.Fastweb. Research colleges online. Set up an appropriate email account used for college admissions ONLY. Lastly, concentrate on academic and extracurricular interests. **KEEP IN MIND: END OF 3RD MARKING PERIOD IS JAN 17TH!!**

### Junior Year —

- It's January, which means preparing for your SAT is closer than ever before. Study for and take the SAT and/or ACT exams. Consider taking college-level courses (ex: AP and/or College Now). Start comparing colleges and college entrance requirements. If you don't have one already, set up an email account to use for college admissions. **KEEP IN MIND: END OF 3RD MARKING PERIOD IS JAN 17TH!! SAT Day is March 4th. STUDY!!!**

### Senior Year —

- Senior year is a pivotal time. During your senior year, we hope you will be college-bound ready. **COMPLETED YOUR TAP APPLICATION!** You will finalize your college applications by December 1st. This year is filled with admission applications, personal statements, financial aid information and the need to meet deadlines. File for FAFSA & TAP. Continue to stay focused on maintaining and increasing your GPA!
